1. Introduction

1.1 *The Exchange Offer, the Cash Offer and the New Notes*

This Exchange Offer Memorandum relates to an invitation by the Issuer to holders of the £78,100,000 7.75 per cent. notes due 14 December 2023 (the “**Existing 2023 Notes**” and, each such holder, an “**Existing 2023 Noteholder**”) issued by International Personal Finance plc (the “**Issuer**”) and guaranteed by IPF Holdings Limited, International Personal Finance Investments Limited, IPF International Limited and IPF Digital Group Limited (each a “**Guarantor**” and, together, the “**Guarantors**”) to offer to exchange any and all of their Existing 2023 Notes for new notes to be issued by the Issuer and unconditionally and irrevocably guaranteed by the Guarantors (such new notes being the “**Exchange New Notes**” and the offer for Exchange New Notes being the “**Exchange Offer**”) during the period commencing on the date of this Exchange Offer Memorandum and expiring at 12 p.m. (London time) on 6 December 2022 (the “**Offer Period**”).

Although this Exchange Offer Memorandum relates only to the Exchange Offer and the Exchange New Notes, Prospective Investors should note that, in addition to the Exchange New Notes offered pursuant to the Exchange Offer, the Issuer is simultaneously making an offer (the “**Cash Offer**”) of additional notes for cash (the “**Cash Offer New Notes**”) to be issued by the Issuer and unconditionally and irrevocably guaranteed by the Guarantors pursuant to the Issuer’s base prospectus dated 25 August 2022 as supplemented, for the purposes of the UK Prospectus Regulation, by way of a prospectus supplement on 4 November 2022 (the “**Base Prospectus**”) as completed by the final terms relating to the Cash Offer New Notes that have been published by the Issuer on the date of this Exchange Offer Memorandum (the “**Cash Offer New Notes Final Terms**”). The aggregate nominal amount of Cash Offer New Notes issued will depend on the amount of Cash Offer New Notes for which offers to subscribe, under the Cash Offer, are received during the Offer Period.

Any Cash Offer New Notes will be issued on identical terms and conditions to the Exchange New Notes, including in respect of their Maturity Date and Rate of Interest (each as defined herein) – except that the Exchange New Notes will be issued under the Exchange Offer (that is to say, in exchange for Existing 2023 Notes) whereas the Cash Offer New Notes will be issued under the Cash Offer, which is being made pursuant to the Base Prospectus and Cash Offer New Notes Final Terms (not this Exchange Offer Memorandum) and for a cash price. The Cash Offer New Notes will benefit from the same guarantee as the Exchange New Notes (see “*Will the Exchange New Notes be Guaranteed?*” below), will rank equally with the Exchange New Notes and will be fungible with the Exchange New Notes upon issue.

The Exchange New Notes and the Cash Offer New Notes together are the “**New Notes**”. The aggregate nominal amount of New Notes will be the sum of the aggregate nominal amount of Exchange New Notes and the aggregate nominal amount of Cash Offer New Notes, and will be specified in the results announcement to be published by the Issuer via the Regulatory News Service operated by the London Stock Exchange plc (“**RNS**”) at the end of the Offer Period (the “**Results Announcement**”).

The International Securities Identification Number (“**ISIN**”) for the Exchange New Notes is XS2551486058 and the Common Code for the Exchange New Notes is 255148605.

The ISIN for the Existing 2023 Notes is XS1998163148 and the Common Code for the Existing 2023 Notes is 199816314.

- (A) the Group is exposed to the risk of political or economic instability in the markets in which it operates. The prevailing political, economic and social conditions in a territory may significantly affect the general demand for loans and other credit services in that territory, the creditworthiness of the Group's customers and the regulatory and taxation regime in which the Group operates;

- (B) the Group is exposed to funding and liquidity risk, credit rating risk, credit quality risk, counterparty risk, exchange rate fluctuation risk and interest rate fluctuation risk, any of which could materially and adversely affect the Group's financial position and its ability to service its debt, including the Exchange New Notes;
- (C) the Group's businesses, earnings and financial condition could be affected by any future crisis in global financial markets and/or deterioration in the global economic outlook, which may materially and adversely impact the Group's operating results, financial condition and prospects;
- (D) the Group may be affected by changes in financial services regulation, or other laws or regulations applicable to the Group, or the interpretations or enforcement thereof, which may affect the Group's operations and the conduct and success of its business in the relevant market or markets;

- (F) changes in the small sum credit markets in any of the Group's markets, including, in particular, any increase in competition in any of the Group's markets, may adversely affect the Group's financial position and the Issuer's ability to make payments under the Exchange New Notes;
- (G) the Group may not be able to successfully implement a new product group or strategy for the acquisition of new customers, a new pricing or credit assessment method or analytical tools and data which may materially and adversely affect the results of its operations and financial condition and, in turn, affect the Issuer's ability to make payments under the Exchange New Notes;
- (H) if the Group fails to attract, engage, motivate and retain people of a sufficient depth of capability and quality at all levels of the Group's business, there could be an adverse impact on the Issuer's ability to make payments under the Exchange New Notes; and
- (I) if the Group is unable to ensure the safety of its customer representatives and employees, it may have to review its home credit model, which may be adverse to the business, results of operations and financial condition of the Group and may impact the Issuer's ability to make payments under the Exchange New Notes.

3. Key information on the securities

3.1. What are the main features of the securities?

Key features of the Exchange New Notes

The Exchange New Notes will be issued in bearer form on 12 December 2022 (the "**Issue Date**") and they will mature and fall due to be repaid on 12 December 2027 (the "**Maturity Date**"). The currency of the Exchange New Notes is pounds sterling, the nominal amount of each Exchange New Note (being the amount which is used to calculate payments made on each Exchange New Note) is £100 and the Exchange New Notes can be bought and sold in integral multiples of £100.

The ISIN for the Exchange New Notes is XS2551486058 and the Common Code for the Exchange New Notes is 255148605.

The total amount of Exchange New Notes to be issued and admitted to trading on the regulated market will depend on demand received from Existing 2023 Noteholders to participate in the Exchange Offer.

The total nominal amount of the Exchange New Notes to be issued will be specified in the Results Announcement.

Acquisition of the Exchange New Notes by the Existing 2023 Noteholders

Each Existing 2023 Noteholder that participates in the Exchange Offer will receive £1 in nominal amount of Exchange New Notes in exchange for every £1 in principal amount of Existing 2023 Notes validly offered and accepted for exchange by the Issuer and, in addition, will receive an exchange fee of £1.50 for every £1.00 in nominal amount of Existing 2023 Notes exchanged for participating in the Exchange Offer in addition to any accrued but unpaid interest on the Existing 2023 Notes, up to, but excluding 12 December 2022. In order to participate in the Exchange Offer, an Existing 2023 Noteholder must validly offer for exchange at least £100 in nominal amount of Existing 2023 Notes (the “**Minimum Submission Amount**”). The Issuer anticipates that, if it accepts any Existing 2023 Notes for exchange, it will then accept all Existing 2023 Notes that are validly offered pursuant to the Exchange Offer Terms.

The “**Offer Period**” commences on the date of this Exchange Offer Memorandum and will expire at 12 p.m. (London time) on 6 December 2022 (the “**Offer Deadline**”), unless extended, re-opened or terminated as provided in this Exchange Offer Memorandum.

Status of the Exchange New Notes and the Guarantee

The Exchange New Notes constitute direct, unconditional and unsecured obligations of the Issuer and rank *pari passu* (i.e. equally in right of payment), without any preference between themselves.

The payment of all amounts owing in respect of the Exchange New Notes issued by IPF will be unconditionally and irrevocably guaranteed on a joint and several basis by each of the Guarantors under their respective guarantees in respect of such Exchange New Notes (the “**Guarantee**”). See “*Is there a guarantee attached to the securities?*” below for further information on the Guarantee.

IPF’s obligations to pay interest and repay principal on the Exchange New Notes will not be secured by any of IPF’s, the Guarantors’ or any other member of the Group’s assets, revenues or otherwise.

Negative pledge

The Exchange New Notes contain a negative pledge provision with respect to the Issuer and its subsidiaries (which includes the Guarantors). Under the negative pledge provision, those entities are not permitted to create or at any time have outstanding any security (except security which arises through the operation of law) upon the whole or any part of their respective undertakings or assets (present or future) to secure any “Relevant Indebtedness” or to secure any guarantee or indemnity in respect of Relevant Indebtedness without securing the Exchange New Notes equally. “**Relevant Indebtedness**” means: (i) any present or future indebtedness (whether being principal, premium, interest or other amounts) which is in the form of, or represented or evidenced by, bonds, notes, debentures, loan stock or other securities and which is for the time being, or is capable of being, quoted, listed, dealt in or traded on a stock exchange or over the counter or other recognised securities market, and (ii) any guarantee or indemnity in respect of any such indebtedness.

Financial covenants

IPF has undertaken to comply, for the life of the Exchange New Notes, with certain financial covenants contained in the terms and conditions of the Exchange New Notes (the “**Conditions**”). These financial covenants include two maintenance covenants: (i) restricting IPF from permitting the ratio of the Group’s Consolidated EBITDA (a financial metric which measures the profit of the Group) to its Consolidated Interest Payable (the aggregate amount of all interest and expenses the Group pays on its debt) to fall below 2.00 : 1.00; and (ii) restricting IPF from permitting the ratio of the Group’s Consolidated Total Borrowings (the total amount of money borrowed by the Group) to Consolidated Net Worth (the total amount paid up on IPF’s shares plus amounts standing to the credit of the reserve accounts of the Group) to exceed 3.75 : 1.00.

In addition, IPF has agreed that, as long as the Exchange New Notes remain outstanding, it shall prepare its financial statements in accordance with International Financial Reporting Standards and supply its annual report and certain interim financial statements, along with a certificate setting out its compliance with the financial covenants described above, to the Trustee (as defined in “*Events of Default*” below).

Events of Default

An event of default is a breach by the Issuer, any Guarantor or a Material Subsidiary (as defined in the Conditions) of certain provisions contained in the Conditions. Events of default under the Exchange New Notes include: (i) non-payment of interest for 14 days or principal for seven days; (ii) breach of other obligations set out in the Conditions (for example, any of the financial covenants referred to above) or the trust deed dated 25 August 2022 (the “**Trust Deed**”) between the Issuer, the Guarantors and The Law Debenture Corporation p.l.c. (the “**Trustee**”) (which breach is not remedied within 30 days); (iii) defaults leading to early repayment of any other borrowed money of the Issuer, any Guarantor or any Material Subsidiary (as defined in the Conditions); (iv) certain events related to the insolvency or winding up of the Issuer, any Guarantor or any Material Subsidiary (as defined in the Conditions); (v) any present or future security created by the Issuer, a Guarantor or a Material Subsidiary (as defined in the Conditions) becoming enforceable and being enforced; or (vi) the Issuer, any Guarantor or any Material Subsidiary (as defined in the Conditions) ceasing or threatening to cease to carry on business or stopping or suspending or threatening to stop or suspend payment of its debts generally.

Early redemption by the Issuer for tax reasons

If the Issuer or any Guarantor would be obligated to increase the amount payable on the Exchange New Notes as a result of any withholding or deduction for or on account of tax in the UK due to any change in, amendment to, or change in application or official interpretation of the laws or regulations of the UK on or after the date on which the Issuer has agreed to issue the Exchange New Notes, the Issuer may elect to repay the Exchange New Notes in whole, but not in part, at any time. The redemption price in these circumstances is the Early Redemption Amount of the Exchange New Notes (as specified in the Exchange New Notes Final Terms) plus unpaid accrued interest to the relevant redemption date.

Meetings of Noteholders

The Conditions contain provisions for calling meetings of Noteholders (as defined in the Conditions) to consider matters affecting the interests of the Noteholders. These provisions permit certain majorities to bind all Noteholders, including Noteholders who did not vote on the relevant resolution and Noteholders who did not vote in the same way as the majority did on that resolution.

Interest Rate

The Exchange New Notes will accrue interest from and including the Issue Date at a fixed rate of 12 per cent. per annum. The interest on the Exchange New Notes is payable twice per year at the end of the interest period to which the payment relates. Accrued interest is payable in instalments on 12 June and 12 December in each year (each, an “**Interest Payment Date**”). The final payment of interest will be made on the Maturity Date, unless the Exchange New Notes are otherwise redeemed earlier than the Maturity Date in accordance with the Conditions.

Transferability

There are no restrictions on the free transferability of the Exchange New Notes. However, Existing 2023 Noteholders are referred to the offer and distribution restrictions in the section of this Exchange Offer Memorandum headed “*Offer and Distribution Restrictions*” and the agreements, acknowledgements, representations, warranties and undertakings in the section of this Exchange Offer Memorandum headed “*Procedures for Participating in the Exchange Offer*”, which Existing 2023 Noteholders will make on submission

of an Exchange Instruction (as defined below). Non-compliance with the offer and distribution restrictions could result in the unwinding of trades and/or in significant costs for Prospective Investors.

3.2. Where will the securities be traded?

Application will be made to the FCA for the Exchange New Notes to be admitted to its official list (the “**Official List**”) and to the London Stock Exchange plc for such Exchange New Notes to be admitted to trading on its regulated market and through its order book for retail bonds (“**ORB**”). It is expected that admission to trading will occur on or about the Issue Date.

3.3. What are the key risks that are specific to the securities?

The Exchange New Notes carry the following risks:

- (A) the price of the Exchange New Notes may fluctuate from time to time and, if a Noteholder decides to sell its New Notes in the open market prior to the Maturity Date, the amount it receives for the New Notes may be less than the amount due to be repaid on the Maturity Date;
- (B) the Exchange New Notes are not protected by the Financial Services Compensation Scheme (the “**FSCS**”);
- (C) the Issuer may redeem the New Notes prior to the Maturity Date if it or the Guarantors are subject to unfavourable changes in UK tax law; and
- (D) as the Issuer is a holding company which operates its business entirely through its subsidiaries (including the Guarantors), payments on the Exchange New Notes are structurally subordinated to all existing and future liabilities and obligations of each operating subsidiary within the Group, and creditors of these operating subsidiaries will have priority as to the assets of such subsidiaries over the Issuer, the Guarantors and their respective creditors, including Noteholders.

3.4. Is there a guarantee attached to the securities?

The Exchange New Notes will be unconditionally and irrevocably guaranteed by the Guarantors on a joint and several basis. “Unconditionally” means that, if the Issuer has not paid the relevant amount due on the Exchange New Notes, there is no further condition to be fulfilled before the Guarantee can be called on, and “irrevocably” means that the Guarantors cannot revoke the Guarantee at a later date. The reference to “on a joint and several basis” means that any person owed money under the Guarantee may pursue the obligation against all the Guarantors together, or any one Guarantor as if that Guarantor were liable for the whole guaranteed amount.

Each of the Guarantors is a private company limited by shares incorporated and registered in England and Wales and operating under the Companies Act 2006. Further information on the Guarantors can be found under “*Key Information on the Issuer and the Guarantors — Who is the issuer of the securities?*” above.

The financial performance of the Guarantors is consolidated and reflected in the financial statements of IPF. Relevant key financial information for the purpose of assessing the Guarantors’ ability to fulfil their respective commitments under the Guarantee are set out under “*Key Information on the Issuer and the Guarantors — What is the key financial information regarding the Issuer and the Group?*” above.

The key risk factors attaching to the Guarantors are set out under “*Key Information on the Issuer and the Guarantors — What are the key risks that are specific to the Issuer, the Guarantors and the Group?*” above.

4. Key information about the offer of securities to the public and the admission to trading on a regulated market

4.1. Under what conditions and timetable can Existing 2023 Notes be exchanged for these securities?

Participation in the Exchange Offer

The Offer Period commences on the date of this Exchange Offer Memorandum and will expire on the Offer Deadline, unless extended, re-opened or terminated as provided in this Exchange Offer Memorandum. The Issuer and Guarantors have consented to offers of the Exchange New Notes being made in the United Kingdom during the Offer Period.

Applications to participate in the Exchange Offer cannot be made directly to the Issuer or the Guarantors. Exchange New Notes will be issued in accordance with the arrangements in place between an Existing 2023 Noteholder and their stockbroker or other financial intermediary, including as to the application process, allocations and payment and delivery arrangements. Existing 2023 Noteholders should approach their financial intermediary to discuss any application arrangements that may be available, as well as consider the instructions included in this Exchange Offer Memorandum. It is important to note that the Issuer and the Guarantors will not be party to any arrangements between an Existing 2023 Noteholder and their financial intermediary. Existing 2023 Noteholders must therefore obtain this information from their financial intermediary and the Issuer and the Guarantors will have no responsibility for this information.

Existing 2023 Noteholders will be notified by the relevant financial intermediary as to whether their Existing 2023 Notes have been accepted for exchange pursuant to the Exchange Offer, and accordingly their allocation of Exchange New Notes and instructions for delivery of the Exchange New Notes (which will be settled by way of exchange of Existing 2023 Notes). The Exchange New Notes are being offered in exchange for Existing 2023 Notes at a ratio of £100 in nominal amount of Exchange New Notes for each £100 in nominal amount of Existing 2023 Notes validly offered and accepted for exchange by the Issuer, plus £1.50 in exchange fees for every £100 in nominal amount of Existing 2023 Notes for participating in the Exchange Offer in addition to any accrued and unpaid interest, such fee to be paid in cash to exchanging Existing 2023 Noteholders on the Issue Date. The aggregate nominal amount of the Exchange New Notes to be issued (and the results of the Exchange Offer) will be specified in the Results Announcement. In order to participate in the Exchange Offer, an Existing 2023 Noteholder must validly offer for exchange at least the Minimum Submission Amount of Existing 2023 Notes. The Issuer is under no obligation to accept, and shall have no liability to any person for any non-acceptance of, any offer of Existing 2023 Notes.

Subscription Agreement

The issue of Exchange New Notes is conditional upon a subscription agreement (the “**Subscription Agreement**”) being signed by the Issuer, the Guarantors and WH Ireland Limited (the “**Dealer Manager**”). The Subscription Agreement will include certain conditions, customary for transactions of this type, which must be satisfied (including the issue of the Exchange New Notes and the delivery of legal opinions from legal counsel and comfort letters from the independent auditors of the Issuer, in each case satisfactory to the Dealer Manager).

Should you decide to participate in the Exchange Offer, neither the Issuer, the Guarantors nor the Dealer Manager will charge you any expenses relating to the offer of your Existing 2023 Notes. An estimate of the total expenses of the Exchange Offer will be disclosed, along with the results of the Exchange Offer, in the Results Announcement. However, expenses may be charged to you by your stockbroker or other financial intermediary. These expenses are beyond the control of the Issuer, are not set by the Issuer and should be disclosed to any Prospective Investor by the relevant financial intermediary.

4.2. Why is this Exchange Offer Memorandum being produced?

This Exchange Offer Memorandum has been produced for the purposes of (a) making the Exchange Offer to Existing 2023 Noteholders during the Offer Period, and (b) applying for the Exchange New Notes to be admitted to trading on the regulated market of the London Stock Exchange plc.

The purpose of the Exchange Offer is to extend the maturity profile of part of the Issuer's debt financing arrangements. As the Exchange New Notes are being offered in connection with an exchange for the Existing 2023 Notes, the issue of the Exchange New Notes issued pursuant to the Exchange Offer will not generate cash proceeds. However, in addition to the Exchange New Notes offered pursuant to the Exchange Offer, the Issuer is simultaneously making the Cash Offer, which will (if any Cash Offer New Notes are issued pursuant to the Cash Offer) generate cash proceeds. Any proceeds of the Cash Offer will be used for the general corporate purposes of the Issuer and the Group.

The aggregate nominal amount of Exchange New Notes to be issued pursuant to the Exchange Offer and the aggregate nominal amount of Existing 2023 Notes accepted for exchange will not be known until the end of the Offer Period and will be specified, together with the aggregate nominal amount of any Cash Offer New Notes, in the Results Announcement.

The Dealer Manager will be paid fees in relation to the issue of Exchange New Notes. The Dealer Manager and its affiliates have engaged, and may in the future engage, in investment banking transactions and/or market-making transactions with, and may perform services for, the Issuer and its affiliates in the ordinary course of business.

In addition to the factors described above (the “**Programme Risk Factors**”), the Issuer and the Guarantors believe that the following factors may be relevant to the decision of Existing 2023 Noteholders as to whether or not to accept the Exchange Offer. All of these factors are contingencies which may or may not occur and neither the Issuer nor the Guarantors are in a position to express a view on the likelihood of any such contingency occurring.

The Issuer and the Guarantors believe that the factors described below and the Programme Risk Factors represent the principal risks to Prospective Investors inherent in participating in the Exchange Offer, but the Issuer and the Guarantors may be unable to pay interest, principal or other amounts on or in connection with any Exchange New Notes for other reasons and the Issuer does not represent that the statements below regarding the risks of holding any Exchange New Notes or entering into the Exchange Offer are exhaustive. Prospective Investors should read, and ensure they fully understand, the detailed information set out elsewhere in this Exchange Offer Memorandum (including any documents incorporated by reference herein) and reach their own views prior to making any investment decision.

Uncertainty as to the trading market for Existing 2023 Notes not exchanged

Although the Existing 2023 Notes that are not validly offered for exchange by Existing 2023 Noteholders or accepted by the Issuer for exchange will continue to be admitted to the Official List and to trading on the regulated market of the London Stock Exchange plc through the ORB, to the extent offers of Existing 2023 Notes for exchange in the Exchange Offer are accepted by the Issuer and the Exchange Offer is completed, the trading market for the Existing 2023 Notes that remain outstanding following such completion may be limited. Such remaining Existing 2023 Notes may command a lower market price than a comparable issue of securities with greater market liquidity. A reduced market price and liquidity may also make the market price of such remaining Existing 2023 Notes more volatile.

As a result, the market price for Existing 2023 Notes that remain outstanding after the completion of the Exchange Offer may be adversely affected as a result of the Exchange Offer. None of the Issuer, the Guarantors, the Dealer Manager or the Exchange and Information Agent has any duty to make a market in any such remaining Existing 2023 Notes and it may be difficult or impossible to sell such Existing 2023 Notes.

Uncertainty as to the trading market for the Exchange New Notes

The Issuer does not intend to make any application for the admission to trading and the listing of the Exchange New Notes other than for admission to the Official List and to trading on the regulated market of the London Stock Exchange plc through the ORB. It is expected that the Exchange New Notes will be admitted to the Official List and to trading on the regulated market of the London Stock Exchange plc through the ORB.

There is no existing trading market for the Exchange New Notes prior to their admission to trading on the regulated market of the London Stock Exchange plc through the ORB. To the extent that the Exchange New Notes are traded, the price of the Exchange New Notes may fluctuate greatly depending on the trading volume and the balance between buy and sell orders, and there can be no assurance of future liquidity in the Exchange New Notes. The Exchange Offer is not conditional on the issuance of a minimum aggregate nominal amount of New Notes generally, and the liquidity of the Exchange New Notes will be dependent on the level of acceptances by the Issuer of valid submissions to exchange Existing 2023 Notes, as potentially increased by any Cash Offer New

Notes issued under the Cash Offer if the Cash Offer is consummated by the Issuer (although Prospective Investors should note that the Issuer is not under any obligation to continue with, or to issue any Cash Offer New Notes pursuant to, the Cash Offer).

Market value of Existing 2023 Notes and Exchange New Notes

The Exchange Offer may not reflect the market value of the Existing 2023 Notes or the Exchange New Notes. Neither the Issuer nor the Dealer Manager has made any determination that the Exchange Offer represents a fair valuation of either the Existing 2023 Notes or the Exchange New Notes.

Future actions

Whether or not the Exchange Offer is completed, the Issuer and its affiliates may continue to acquire, from time to time during or after the Exchange Offer, Existing 2023 Notes other than pursuant to the Exchange Offer, including through open market purchases, privately negotiated transactions, tender offers, exchange offers or otherwise, upon such terms and at such prices as they may determine, which may be more or less than the price to be paid pursuant to the Exchange Offer and could be for cash or other consideration or otherwise on terms more or less favourable than those contemplated in the Exchange Offer.

No obligation to accept offers to exchange

The Issuer is not under any obligation to accept, and shall have no liability to any person for any non-acceptance of, any offer of Existing 2023 Notes for exchange pursuant to the Exchange Offer. Offers of Existing 2023 Notes for exchange may be rejected in the sole and absolute discretion of the Issuer for any reason and the Issuer is not under any obligation to Existing 2023 Noteholders to furnish any reason or justification for refusing to accept an offer of Existing 2023 Notes for exchange. For example, offers of Existing 2023 Notes for exchange may be rejected if the Exchange Offer is terminated, if the Exchange Offer does not comply with the relevant requirements of a particular jurisdiction or for any other reason.

Responsibility for complying with the procedures of the Exchange Offer

Existing 2023 Noteholders are responsible for complying with all of the procedures for offering Existing 2023 Notes for exchange. None of the Issuer, the Guarantors, the Dealer Manager or the Exchange and Information Agent assumes any responsibility for informing any Existing 2023 Noteholder of irregularities with respect to such Existing 2023 Noteholder's participation in the Exchange Offer.

Differences between the Existing 2023 Notes and the Exchange New Notes

There are a limited number of differences between the terms and conditions of the Existing 2023 Notes (the "**Existing 2023 Notes Conditions**") and the Conditions (see the section of this Exchange Offer Memorandum headed "*Summary of Certain Differences between the Existing 2023 Notes and the Exchange New Notes*" below). Without prejudice to the foregoing, Existing 2023 Noteholders should review the Base Prospectus (including, in particular, the Programme Risk Factors and the Conditions) and the Exchange New Notes Final Terms in their entirety, before deciding whether to participate in the Exchange Offer.

Completion, termination and amendment

Until the Issuer announces whether it has decided to accept valid offers of Existing 2023 Notes for exchange pursuant to the Exchange Offer, no assurance can be given that the Exchange Offer will be completed. This may depend upon the satisfaction or waiver of the conditions of the Exchange Offer. Existing 2023 Notes that are not validly offered and accepted for exchange pursuant to the Exchange Offer will remain outstanding.

In addition, subject to applicable law and as provided in this Exchange Offer Memorandum, the Issuer may, in its sole and absolute discretion, extend, re-open, amend or terminate the Exchange Offer, and may, in its sole and absolute discretion, waive any of the conditions to the Exchange Offer, in each case at the times and as described in paragraph 20 “*Amendment and Termination*” of the terms of the Exchange Offer (the “**Exchange Offer Terms**”) which are set out in the section of this Exchange Offer Memorandum headed “*Exchange Offer Terms*”. The Issuer is furthermore entitled to terminate the Exchange Offer at any time after its commencement to (and including) the day prior to the Issue Date. (The detail of this entitlement is also set out in paragraph 20 (*Amendment and Termination*) of the Exchange Offer Terms). The Issuer is not obliged to complete the Exchange Offer, nor to accept any Existing 2023 Notes offered for exchange by Existing 2023 Noteholders.

Exchange Instructions irrevocable

Exchange Instructions will be irrevocable except in the limited circumstances described in paragraph 21 (*Revocation rights*) of the Exchange Offer Terms.

Compliance with offer and distribution restrictions

Existing 2023 Noteholders are referred to the offer and distribution restrictions in the section of this Exchange Offer Memorandum headed “*Offer and Distribution Restrictions*” and the agreements, acknowledgements, representations, warranties and undertakings in the section of this Exchange Offer Memorandum headed “*Procedures for Participating in the Exchange Offer*”, which Existing 2023 Noteholders will make on submission of an Exchange Instruction. Non-compliance with the offer and distribution restrictions could result in the unwinding of trades and/or in significant costs for Prospective Investors.

Responsibility to consult advisers

None of the Issuer, the Guarantors, the other members of the Group (or their affiliates, directors, employees, agents or professional advisers), the Dealer Manager or the Exchange and Information Agent makes any recommendation to any Existing 2023 Noteholder as to whether that Existing 2023 Noteholder should exchange any of its Existing 2023 Notes, or take or refrain from taking any other action in connection with the Exchange Offer, and none of them has authorised any person to make any such recommendation. Existing 2023 Noteholders should consult their own tax, accounting, financial, regulatory and legal advisers regarding the suitability to themselves of the tax, accounting, financial, regulatory and legal consequences of participating in the Exchange Offer and holding an investment in the Exchange New Notes. None of the Issuer, the Guarantors, the other members of the Group (or their affiliates, directors, employees, agents or professional advisers), the Dealer Manager or the Exchange and Information Agent has made or will make any assessment of the merits of the offer or of the impact of the Exchange Offer on the interests of Existing 2023 Noteholders either as a class or as individuals.

Restrictions on transfer of Existing 2023 Notes

When considering whether to participate in the Exchange Offer, Existing 2023 Noteholders should take into account that restrictions on the transfer of their Existing 2023 Notes will apply from the time of submission of Exchange Instructions (as defined in “*Procedures for Participating in the Exchange Offer*” below). An Existing 2023 Noteholder will, on submitting an Exchange Instruction, agree that its Existing 2023 Notes will be blocked in the relevant account in the relevant Clearing System, from the date the relevant Exchange Instruction is submitted until the earlier of:

- (A) the time of settlement on the Issue Date; and
- (B) the date of any termination of the Exchange Offer (including where such Existing 2023 Notes are not accepted by the Issuer for exchange) or on which the Exchange Instruction is validly revoked, in the limited circumstances in which such revocation is permitted, in accordance with the applicable procedures

set forth in the section of this Exchange Offer Memorandum headed “*Procedures for Participating in the Exchange Offer*”.

The Exchange New Notes will be issued with a fixed rate of interest of 12 per cent. per annum payable semi-annually in arrear on each Interest Payment Date and with a Fixed Coupon Amount of £12 per £100. | Are other Notes being issued at the same time? | <p>In addition to the Exchange New Notes, the Issuer will, if the Cash Offer is consummated, issue Cash Offer New Notes in addition to the Exchange New Notes issued pursuant to the Exchange Offer.</p> <p>Any Cash Offer New Notes will be issued under the Programme on identical terms and Conditions to those set out in the Exchange New Notes Final Terms and the Conditions, including in respect of their Maturity Date and Rate of Interest – except that the Exchange New Notes will be offered pursuant to the Exchange Offer (that is to say in exchange for Existing 2023 Notes) whereas the Cash Offer New Notes will be offered in the Cash Offer, which is being made pursuant to the Base Prospectus (not this Exchange Offer Memorandum) for a cash price. The Cash Offer New Notes will benefit from the same guarantee as holders of the Exchange New Notes (see below "<i>Will the Exchange New Notes be Guaranteed?</i>").</p> <p>The New Notes (being the aggregate issue of the Exchange New Notes and the Cash Offer New Notes) will form a single series and will be issued under the Programme.</p> | <p>Terms and Conditions, beginning on page 107 of the Base Prospectus.</p> <p>The Exchange New Notes Final Terms, beginning on page 58.</p> |

| What is the relationship between the Issuer and the Group? | All references to the Group are to IPF, its subsidiaries (which include the Guarantors) and its subsidiary undertakings taken as a whole. IPF is the ultimate holding company of the Group. IPF's financial condition depends upon the receipt of funds provided by other members of the Group. | N/A |
| Why are the Exchange New Notes being issued? | The purpose of offering the Exchange New Notes under the Exchange Offer is to extend the maturity profile of part of the Issuer's debt financing. | N/A |
| Have any Notes been issued previously? | As of the date of this Exchange Offer, IPF has made 17 issuances under the Programme. | N/A |
| What is the price of the Exchange New Notes? | The Exchange New Notes will be issued at their nominal amount in exchange for the tendering of Existing 2023 Notes, at a ratio of 1:1. This means that for every £100 in nominal amount of Existing 2023 Notes, an Existing 2023 Noteholder would receive £100 in nominal amount of Exchange New Notes. In addition, for every £100 in nominal amount of Existing 2023 Notes, an Existing 2023 Noteholder would receive an exchange fee of £1.50. | The Final Terms, beginning on page 51. The Exchange Offer – paragraph 6, on page 33. |
| What is the yield on the Exchange New Notes? | The yield in respect of the Exchange New Notes will be calculated on the basis of the Issue Price and an indicative yield is specified in the Exchange New Notes Final Terms. This indicative yield is not an indication of future price. Prospective Investors can find a sample calculation of yield set out on pages 166-167 of the Base Prospectus. | General information – paragraph 14, beginning on page 163 of the Base Prospectus. | Will the Exchange New Notes be secured? | The Issuer's obligations to pay interest and principal on the Exchange New Notes will not be secured by any of the Issuer's, the Guarantors' or any other member of the Group's assets, revenues or otherwise. The Conditions do, however, contain a "negative pledge", which gives the holders of Exchange New Notes some limited protection in the event that the Issuer or the Guarantors create security in favour of other creditors holding securities similar to the Exchange New Notes. | Terms and Conditions, beginning on page 98 of the Base Prospectus. |
| Will the Exchange New Notes be guaranteed? | The payment of all amounts owing in respect of the Exchange New Notes will be unconditionally and irrevocably guaranteed on a joint and several basis by each of the Guarantors. "Unconditionally" means that, if the Issuer hasn't paid the relevant amount due, there is no further condition to be fulfilled before the Guarantee can be called on, and "irrevocably" means that the Guarantors can't revoke the Guarantee at a later date. "On a joint and several basis" means that any person owed money under the Guarantee may pursue the obligation against all the Guarantors together, or any one Guarantor as if that Guarantor were liable for the whole guaranteed amount. | N/A |
| Will the Exchange New Notes have a credit rating? | Yes, the Exchange New Notes are expected to be rated BB by Fitch Ratings Ltd and (P)Ba3 by Moody's Investors Service Limited. | Will I be able to trade the Exchange New Notes? | <p>Applications are expected to be made to (i) the FCA in its capacity as competent authority for the New Notes (including both the Exchange New Notes and the Cash Offer New Notes) to be admitted to the Official List of the FCA; and (ii) the London Stock Exchange plc for the New Notes to be admitted to trading on the London Stock Exchange plc’s regulated market.</p> <p>Once listed and admitted to trading, the New Notes may be purchased or sold through a broker. The market price of New Notes may be higher or lower than their issue price depending on, among other things, the level of supply and demand for such New Notes, movements in interest rates and the financial performance of the Issuer, the Guarantors and the Group. | What will Holders of the Exchange New Notes receive in a winding up of the Issuer and the Guarantors? | <p>If the Issuer or a Guarantor becomes insolvent and is unable to pay its debts, an administrator or liquidator would be expected to make distributions to its creditors in accordance with a statutory order of priority. The claims of the holders of the Exchange New Notes would be expected to rank after the claims of any holders of the Issuer or the relevant Guarantor’s secured debt or other creditors of the Issuer or the relevant Guarantor that are given preferential treatment by applicable laws of mandatory application relating to creditors, but ahead of the Issuer’s or the relevant Guarantor’s shareholders, as applicable.</p> <p>A simplified diagram illustrating the expected ranking of the Exchange New Notes compared to other creditors of the Issuer and the Guarantors, as the case may be, is set out below.</p> | |

| <p>However, as well as being aware of the ranking of the notes issued under the Programme compared to the other categories of creditor and the shareholders of the Issuer, Prospective Investors should note that the Issuer holds a substantial majority of its assets in its subsidiaries. (See “<i>Business Description of International Personal Finance plc and The Group – Organisational structure</i>” on page 56 of the Base Prospectus for details of the Issuer’s principal subsidiaries.)</p> <p>The Issuer’s right (and, where relevant, a Guarantor’s right) to participate in a distribution of its subsidiaries’ assets upon their liquidation, re-organisation or insolvency is generally subject to any claims made against the subsidiaries, including by secured and unsecured creditors such as any lending bank and trade creditors. The obligations of the Issuer under any of the Exchange New Notes and of any Guarantor under the Guarantee are therefore structurally subordinated to any liabilities of that entity’s subsidiaries. Structural subordination in this context means that, in the event of a winding up or insolvency of the Issuer’s subsidiaries, any creditors of that subsidiary would have preferential claims to the assets of that subsidiary ahead of any creditors of the Issuer (i.e. including Noteholders).</p> <p>A simplified diagram illustrating the structural subordination of the Issuer’s obligations under the Exchange New Notes to any liabilities of the Issuer’s subsidiaries referred to above is set out below. THE EXCHANGE OFFER

1. The Exchange Offer

The Issuer hereby invites Existing 2023 Noteholders (subject to the offer restrictions referred to in the section of this Exchange Offer Memorandum headed “*Offer and Distribution Restrictions*”) to offer to exchange any and all of their Existing 2023 Notes for Exchange New Notes, with such exchange being made subject to the terms of this Exchange Offer Memorandum (the “**Exchange Offer**”). The nominal value of the Exchange New Notes which an Existing 2023 Noteholder will receive in exchange for tendering their Existing 2023 Notes is set out below.

In order to participate in the Exchange Offer, an Existing 2023 Noteholder must validly offer for exchange at least the Minimum Submission Amount of Existing 2023 Notes.

Each Existing 2023 Noteholder whose Existing 2023 Notes are accepted for exchange will receive on the settlement of the Exchange Offer, which is expected to take place on 12 December 2022 (the “**Issue Date**”), (i) £100 in nominal amount of Exchange New Notes for each £100 in nominal amount of Existing 2023 Notes validly offered and accepted for exchange by the Issuer; (ii) the Accrued Interest Payment; and (iii) the Exchange Fee (in each case as defined below – see “*Accrued Interest*” and “*Exchange Fee*” below).

From the Issue Date, each Existing 2023 Noteholder whose Existing 2023 Notes are accepted for exchange will, upon exchange of such Existing 2023 Notes for Exchange New Notes, cease to hold any such Existing 2023 Notes that have been accepted for exchange and all their rights in respect of such Existing 2023 Notes will cease.

The procedures for participating in the Exchange Offer are set out in the section of this Exchange Offer Memorandum headed “*Procedures for participating in the Exchange Offer*” including, importantly, how Existing 2023 Noteholders offer or arrange for their Existing 2023 Notes to be offered in exchange for Exchange New Notes.

An Existing 2023 Noteholder’s offer to exchange will be deemed to be made at the time of receipt by the Exchange and Information Agent of such Existing 2023 Noteholder’s valid Exchange Instruction.

Before making a decision whether to offer Existing 2023 Notes for exchange, Existing 2023 Noteholders should carefully consider all of the information in this Exchange Offer Memorandum (including all the information incorporated by reference in it) and, in particular, the risk factors described or referred to in the section of this Exchange Offer Memorandum headed “*Risk Factors*” and the Programme Risk Factors.

2. Commencement and Termination of the Exchange Offer

The Exchange Offer commences on the date of this Exchange Offer Memorandum.

The Exchange Offer will expire at 12 p.m. (London time) on 6 December 2022 (being the Offer Deadline), unless extended, re-opened or terminated as provided in this Exchange Offer Memorandum. In order for an Existing 2023 Noteholder to participate in the Exchange Offer, the Exchange and Information Agent must have received Exchange Instructions in respect of the Existing 2023 Notes which that Existing 2023 Noteholder intends to exchange for Exchange New Notes by the Offer Deadline.

The deadline set by any intermediary or clearing system will be earlier than this deadline.

3. Irrevocability of Exchange Instructions

The submission of a valid Exchange Instruction in accordance with the procedures set out in this section and the section of this Exchange Offer Memorandum headed “*Procedures for Participating in the Exchange Offer*” will be irrevocable (except in the limited circumstances described in the section of this Exchange Offer Memorandum headed “*Amendment and Termination*”). “Irrevocable” means that the submission of an Exchange Instruction cannot be revoked at a later date.

4. Rationale for the Exchange Offer

The purpose of the Exchange Offer is to extend the maturity profile of part of the Issuer’s debt financing. The Exchange Offer provides Existing 2023 Noteholders with the opportunity to exchange their holdings

of the Existing 2023 Notes for holdings of the Exchange New Notes.

5. Accrued Interest

The Issuer will pay accrued and unpaid interest in cash from and including the interest payment date of the Existing 2023 Notes immediately preceding the Issue Date to but excluding the Issue Date (the “**Accrued Interest Payment**”) in respect of all Existing 2023 Notes validly offered and delivered and accepted for exchange by the Issuer pursuant to the Exchange Offer. See the section of this Exchange Offer Memorandum headed “*Delivery of Exchange New Notes and Payment*” below for further details on timing and mechanics relating to the Accrued Interest Payment.

6. Exchange Fee

The Issuer will pay an exchange fee to each Existing 2023 Noteholder in cash in the amount of £1.50 per £100 in nominal amount of Existing 2023 Notes (i) validly offered and delivered by such Existing 2023 Noteholder; and (ii) accepted for exchange by the Issuer, in each case pursuant to the Exchange Offer (the “**Exchange Fee**”). See the section of this Exchange Offer Memorandum headed “*Delivery of Exchange New Notes and Payment*” below for further details on timing and mechanics relating to the Exchange Fee.

7. Exchange New Notes

The Exchange New Notes will be issued under the Programme pursuant to the Exchange New Notes Final Terms contained in this Exchange Offer Memorandum and the Conditions. The Exchange New Notes are expected to be admitted to the Official List and to trading on the regulated market of the London Stock Exchange plc through the ORB.

8. Differences between the Existing 2023 Notes and the Exchange New Notes

There are a limited number of differences between the Existing 2023 Notes Conditions and the Conditions. Existing 2023 Noteholders are advised to review this Exchange Offer Memorandum and the Conditions in their entirety before making a decision whether to offer their Existing 2023 Notes for exchange. See the section of this Exchange Offer Memorandum headed “*Summary of Certain Differences between the Existing 2023 Notes and the Exchange New Notes*” above.

9. Cash Offer New Notes

In addition to the Exchange New Notes, the Issuer may choose to issue Cash Offer New Notes that form a single series with the Exchange New Notes from the Issue Date. The Cash Offer New Notes, if issued, will be issued on identical terms and conditions to those set out in the Exchange New Notes Final Terms and the Conditions including in respect of their Maturity Date and Rate of Interest. The Cash Offer New Notes will benefit from the same guarantee as the Exchange New Notes.

10. Existing 2023 Notes not exchanged

Existing 2023 Noteholders who do not participate in the Exchange Offer (including any Existing 2023 Noteholder that is not eligible to participate in the Exchange Offer, whether due to the Minimum Submission Amount required, the offer restrictions referred to in the section of this Exchange Offer Memorandum headed “*Offer and Distribution Restrictions*” or otherwise), or whose Existing 2023 Notes are not accepted for exchange by the Issuer, will continue to hold their Existing 2023 Notes subject to the Existing 2023 Notes Conditions.

The Issuer anticipates that, if it accepts any Existing 2023 Notes for exchange, then it will accept all Existing 2023 Notes that are validly offered pursuant to the Exchange Offer Terms including, for the avoidance of doubt, paragraph 2 (*Commencement and Termination of the Exchange Offer*) and paragraph 13 (*Offers for exchange and Exchange Instructions*) of the Exchange Offer Terms.

11. Announcement of Results of Exchange Offer

The Issuer will, via the Results Announcement, announce its decision as to whether to accept valid offers of Existing 2023 Notes for exchange pursuant to the Exchange Offer and, if so accepted, the final aggregate amount of:

- (a) Existing 2023 Notes accepted for exchange; and
- (b) Exchange New Notes and Cash Offer New Notes (if any) to be issued and delivered on the Issue Date.

“Business Day” means a day other than a Saturday or a Sunday or a public holiday on which commercial banks and foreign exchange markets are open for business in London.

12. Delivery of Exchange New Notes and payment

If Existing 2023 Notes validly offered for exchange pursuant to the Exchange Offer are accepted for exchange by the Issuer, the corresponding Exchange New Notes will be delivered and the Accrued Interest Payment and Exchange Fee in respect of such accepted Existing 2023 Notes will be paid by or on behalf of the Issuer in immediately available funds on the Issue Date.

At settlement of the Exchange Offer, the Exchange New Notes will be delivered and the Accrued Interest Payments made and Exchange Fees paid to the Clearing System accounts in which the relevant Existing 2023 Notes are held or (in the case of holders of dematerialised depository interests (“**CDIs**”)) to CREST International Nominees Limited (the “**CREST Nominee**”) through which CREST Depository Limited (the “**CREST Depository**”) will hold interests (if any) in the Exchange New Notes.

The delivery of such Exchange New Notes and payment of such Accrued Interest Payments and Exchange Fees to the Clearing Systems will discharge the obligation of the Issuer to all such holders in respect of the delivery of the Exchange New Notes and payment of the Accrued Interest Payments and Exchange Fees.

Provided the Issuer delivers, or has delivered on its behalf, the Exchange New Notes, and makes, or has made on its behalf, full payment of the Accrued Interest Payments and Exchange Fees for all Existing 2023 Notes accepted for exchange pursuant to the Exchange Offer to the relevant Clearing Systems, on or before the Issue Date, under no circumstances will any additional distribution or interest be payable to an Existing 2023 Noteholder because of any delay in the delivery of the Exchange New Notes by, or transmission of funds from, the relevant Clearing System or any other intermediary with respect to such Existing 2023 Noteholder’s holding.

13. Offers for exchange and Exchange Instructions

The Issuer expressly reserves the right, in its sole and absolute discretion, to delay acceptance of Existing 2023 Notes offered for exchange pursuant to the Exchange Offer in order to comply with applicable laws. In all cases, the Issuer will only accept Existing 2023 Notes offered for exchange pursuant to the Exchange Offer after the submission of a valid Exchange Instruction which is received prior to the Offer Deadline and in accordance with the procedures described in the Exchange Offer Terms and the section of this Exchange Offer Memorandum headed “*Procedures for Participating in the Exchange Offer*”. In the case of Existing 2023 Notes held in a Clearing System, these procedures include the blocking of the Existing 2023 Notes offered for exchange in the relevant account in the applicable Clearing System from the date the relevant Exchange Instruction is submitted until the earlier of (i) the time of settlement on the Issue Date, and (ii) the date of any termination of the Exchange Offer (including where such Existing 2023 Notes are not accepted by the Issuer for exchange) or on which the Exchange Instruction is validly revoked, in the circumstances in which such revocation is permitted.

The Issuer will at all times have the discretion to accept any Existing 2023 Notes offered for exchange, the offer of which would otherwise be invalid or, in the sole opinion of the Issuer, may otherwise be invalid. See also the section of this Exchange Offer Memorandum headed “*Risk Factors*”.

The Issuer is not under any obligation to accept, and shall have no liability to any person for any non-acceptance of, any offer of Existing 2023 Notes for exchange pursuant to the Exchange Offer. Offers of Existing 2023 Notes for exchange may be rejected in the sole and absolute discretion of the Issuer for any reason and the Issuer is not under any obligation to Existing 2023 Noteholders to furnish any reason or justification for refusing to accept an offer of Existing 2023 Notes for exchange. For example, offers of Existing 2023 Notes for exchange may be rejected if the Exchange Offer is terminated, if such offer of Existing 2023 Notes for exchange does not comply with the relevant requirements of a particular jurisdiction or for any other reason.

The Issuer may, in its sole and absolute discretion, extend, re-open, amend, waive any condition of or terminate the Exchange Offer at any time (subject to applicable law and as provided in this Exchange Offer Memorandum). Details of any such extension, re-opening, amendment, waiver or termination will be announced as provided in this Exchange Offer Memorandum as soon as reasonably practicable after the relevant decision is made. See the section of this Exchange Offer Memorandum headed “*Amendment and Termination*”. Existing 2023 Noteholders are advised that the Issuer may, in its sole and absolute

discretion, accept offers of Existing 2023 Notes for exchange pursuant to the Exchange Offer on more than one date if the Exchange Offer is extended or re-opened.

The failure of any person to receive a copy of this Exchange Offer Memorandum or any announcement made or notice issued in connection with the Exchange Offer shall not invalidate any aspect of the Exchange Offer. No acknowledgement of receipt of any Exchange Instructions and/or other documents will be given by the Issuer or by Kroll Issuer Services Limited (the “**Exchange and Information Agent**”).

14. Announcements

Unless stated otherwise, announcements in connection with the Exchange Offer will be made by publication through the RNS. Announcements will also be made by (i) the delivery of notices to the Clearing Systems for communication to Direct Participants; and (ii) the delivery of notices to CREST for communication to the holders of CDIs. Announcements may, at the Issuer’s discretion, also be made by the issue of a press release to a recognised financial news service or services (e.g. Reuters/Bloomberg) as selected by the Issuer (a “**Notifying News Service**”).

Copies of all such announcements, press releases and notices can also be obtained from the Exchange and Information Agent, the contact details for whom are on the last page of this Exchange Offer Memorandum. Significant delays may be experienced where notices are delivered to the Clearing Systems, and Existing 2023 Noteholders are therefore urged to contact the Exchange and Information Agent for the relevant announcements during the course of the Exchange Offer. In addition, Existing 2023 Noteholders may contact the Dealer Manager for information using the contact details on the last page of this Exchange Offer Memorandum.

15. Governing law and jurisdiction

The Exchange Offer, each Exchange Instruction, any exchange of Existing 2023 Notes or payment due pursuant to the Exchange Offer and any non-contractual obligations arising out of or in connection with any of the foregoing shall all be governed by and construed in accordance with English law.

By submitting an Exchange Instruction, the relevant Existing 2023 Noteholder irrevocably and unconditionally agrees for the benefit of the Issuer, the Guarantors, the Dealer Manager and the Exchange and Information Agent that the courts of England are to have exclusive jurisdiction to settle any disputes that may arise out of or in connection with the Exchange Offer, such Exchange Instruction, any exchange of Existing 2023 Notes or payment due pursuant to the Exchange Offer or any non-contractual obligations arising out of or in connection with any of the foregoing and that, accordingly, any suit, action or proceedings arising out of or in connection with any such dispute may be brought in such courts.

16. General

Before making a decision whether to offer Existing 2023 Notes for exchange, Existing 2023 Noteholders should carefully consider all of the information in this Exchange Offer Memorandum (including all of the information (including the information in the Base Prospectus) incorporated by reference into this Exchange Offer Memorandum) and, in particular, the risk factors described or referred to in the section headed “*Risk Factors*” of this Exchange Offer Memorandum and the Programme Risk Factors.

Existing 2023 Noteholders should consult their tax advisers as to the tax consequences in the country in which they are resident for tax purposes of the Exchange Offer and of the ownership and transfer of the Exchange New Notes. See the section entitled “*Tax Consequences*” in this Exchange Offer Memorandum.

Existing 2023 Noteholders are advised to check with any bank, securities broker or other intermediary through which they hold Existing 2023 Notes whether such intermediary needs to receive instructions from an Existing 2023 Noteholder before the deadlines specified in this Exchange Offer Memorandum in order for that Existing 2023 Noteholder to be able to participate in, or (in the limited circumstances in which revocation is permitted) revoke their instruction to participate in, the Exchange Offer. The deadlines set by each Clearing System for the submission and withdrawal of Exchange Instructions will also be earlier than the relevant deadlines specified in this Exchange Offer Memorandum.

Questions and requests for assistance in connection with (a) the Exchange Offer may be directed to the Dealer Manager, and (b) the delivery of Exchange Instructions may be directed to the Exchange and Information Agent, the contact details for each of whom are on the last page of this Exchange Offer

Memorandum.

Any questions or requests for information in connection with this Exchange Offer Memorandum may be directed to the Dealer Manager using the contact details set out on the last page of this Exchange Offer Memorandum. Any questions or requests for assistance in connection with the delivery of Exchange Instructions or requests for additional copies of this Exchange Offer Memorandum or related documents, which may be obtained free of charge, may be directed to the Exchange and Information Agent using the contact details provided on the last page of this Exchange Offer Memorandum.

17. Acknowledgements and Representations

By submitting an Exchange Instruction to the relevant Clearing System in accordance with the standard procedures of such Clearing System, an Existing 2023 Noteholder and any Direct Participant submitting such Exchange Instruction on such Existing 2023 Noteholder's behalf agree, acknowledge, represent, warrant and undertake to the Issuer, the Guarantors, the Exchange and Information Agent and the Dealer Manager as set out in the section of this Exchange Offer Memorandum headed "*Acknowledgements and Representations*". These agreements, acknowledgements, representations warranties and undertakings are made at the time of submission of such Exchange Instruction, the Offer Deadline and the time of settlement on the Issue Date (if an Existing 2023 Noteholder or Direct Participant is unable to make any such agreement, acknowledgement, representation, warranty or undertaking, such Existing 2023 Noteholder or Direct Participant should contact the Exchange and Information Agent immediately).

18. Exchange Instructions

An Exchange Instruction must relate to an aggregate nominal amount of the Existing 2023 Notes of at least the Minimum Submission Amount.

19. Irregularities

All questions as to the validity, form, eligibility and valid revocation (including times of receipt) of any Exchange Instruction will be determined by the Issuer in its sole and absolute discretion, whose determination shall be final and binding.

The Issuer reserves the absolute right to reject any and all Exchange Instructions or revocation instructions not in proper form or for which any corresponding agreement by the Issuer to accept would, in the opinion of the Issuer, be unlawful. The Issuer also reserves the absolute right to waive any defects, irregularities or delay in the submission of any and all Exchange Instructions or revocation instructions and to waive any such defect, irregularity or delay in respect of particular offers of Existing 2023 Notes for exchange, whether or not the Issuer elects to waive similar defects, irregularities or any delay in respect of any other offers of Existing 2023 Notes for exchange.

Any defect, irregularity or delay must be cured within such time as the Issuer determines, unless waived by it. An Exchange Instruction or revocation instruction will be deemed not to have been made until such defects, irregularities or delays have been cured or waived. None of the Issuer, the Guarantors, the Dealer Manager or the Exchange and Information Agent shall be under any duty to give notice to an Existing 2023 Noteholder of any defects, irregularities or delays in an Exchange Instruction or revocation instruction, nor shall any of them incur any liability for failure to give such notice.

20. Amendment and Termination

Notwithstanding any other provision of the Exchange Offer, the Issuer may, subject to applicable laws, at its option and in its sole and absolute discretion, at any time before (i) in the cases of (a) to (c) below, any acceptance by it of the Exchange Offer, or (ii) in the case of (d) below, the Issue Date:

- (a) extend the Offer Deadline for, or re-open, the Exchange Offer (in which case all references in this Exchange Offer Memorandum to "Offer Deadline" shall, for the purposes of the Exchange Offer, unless the context otherwise requires, be to the latest time and date to which the Offer Deadline has been so extended or the Exchange Offer re-opened);
- (b) otherwise extend, re-open or amend the Exchange Offer in any respect (including, but not limited to, any increase, decrease, extension, re-opening or amendment, as applicable, in relation to the Offer Deadline, the date of the Results Announcement or the Issue Date);
- (c) delay the acceptance of Exchange Instructions or exchange of Existing 2023 Notes validly

submitted for exchange in the Exchange Offer until satisfaction or waiver of the conditions to the Exchange Offer, even if the Exchange Offer has expired; or

- (d) terminate the Exchange Offer, including with respect to Exchange Instructions submitted before the time of such termination.

The Issuer also reserves the right at any time to waive any or all of the conditions of the Exchange Offer as set out in this Exchange Offer Memorandum.

The Issuer will make an announcement in respect of any such extension, re-opening, amendment or termination as soon as is reasonably practicable after the relevant decision is made. To the extent a decision is made to waive any condition of the Exchange Offer generally, as opposed to in respect of certain offers of Existing 2023 Notes for exchange only, the Issuer will make a similar announcement in respect of such decision as soon as is reasonably practicable after it is made.

At any time before offers to exchange are accepted pursuant to the Exchange Offer, the Issuer may, at its sole and absolute discretion, terminate the Exchange Offer, including with respect to Exchange Instructions submitted before the time of such termination, by giving notice of such termination as described in the section of this Exchange Offer Memorandum headed “*Announcements*” above.

21. Revocation Rights

If the Issuer:

- (a) extends, re-opens, amends or terminates the Exchange Offer (other than, in the case of an amendment, to increase the Exchange Fee) or delays acceptance of Exchange Instructions or exchange of Existing 2023 Notes as described in “*Amendment and Termination*” above in any way that, in the opinion of the Issuer (in consultation with the Dealer Manager), is materially prejudicial to Existing 2023 Noteholders that have already submitted Exchange Instructions in respect of the Exchange Offer before the announcement of such extension, re-opening, amendment or termination (which announcement shall include a statement that in the opinion of the Issuer such amendment is materially prejudicial to such Existing 2023 Noteholders); or
- (b) publishes a supplementary prospectus in respect of this Exchange Offer Memorandum or the Base Prospectus,

Existing 2023 Noteholders who have submitted Exchange Instructions prior to the date of any announcement of an extension, re-opening, amendment or termination as described in paragraph (a) above or prior to the date of publication of any supplementary prospectus as described in paragraph (b) above shall have the right to withdraw such Exchange Instructions. Existing 2023 Noteholders may only exercise this right prior to the end of the period of two Business Days beginning with the Business Day after the date on which the relevant announcement is made or supplementary prospectus is published. Existing 2023 Noteholders who wish to withdraw their Exchange Instructions should contact their broker, including in order to determine any earlier deadlines required by the Clearing Systems and any intermediary through which Existing 2023 Noteholders hold their Existing 2023 Notes.

Any extension or re-opening of the Exchange Offer (including any amendment in relation to the Offer Deadline, the date of the Results Announcement and/or the Issue Date) or waiver of any condition in accordance with the terms of the Exchange Offer as described in this section or in “*Amendment and Termination*” above shall not be considered materially prejudicial to Existing 2023 Noteholders that have already submitted Exchange Instructions before the announcement of such amendment.

Existing 2023 Noteholders wishing to exercise any right of revocation as set out above should do so in accordance with the procedures set out in the section of this Exchange Offer Memorandum headed “*Procedures for Participating in the Exchange Offer*” above. Beneficial owners of Existing 2023 Notes that are held through an intermediary are advised to check with such entity when it needs to receive instructions to revoke an Exchange Instruction in order to meet the above deadline. For the avoidance of doubt, any Existing 2023 Noteholder who does not exercise any such right of revocation in the circumstances and in the manner specified above shall be deemed to have waived such right of revocation and its original Exchange Instruction will remain effective.

Summary of action to be taken

The Issuer will only accept offers of Existing 2023 Notes for exchange pursuant to the Exchange Offer which are made by way of the submission of valid Exchange Instructions in accordance with the procedures set out below.

An **“Exchange Instruction”** means the electronic exchange and blocking instruction in the form specified in the relevant **“Clearing System Notice”**, which must be submitted by (or on behalf of) an Existing 2023 Noteholder. A **“Clearing System Notice”** means the notice to be sent to Direct Participants by each of the Clearing Systems on or about the date of this Exchange Offer Memorandum, informing Direct Participants of, amongst other things, the procedures to be followed in order to participate in the Exchange Offer.

In this section, an **“Existing 2023 Noteholder”** means:

- (i) each person who is shown in the records of Euroclear Bank SA/NV (**“Euroclear”**) or Clearstream Banking S.A. (**“Clearstream, Luxembourg”**) and, together with Euroclear, the **“Clearing Systems”** and each a **“Clearing System”**) as a holder of the Existing 2023 Notes;
- (ii) each person who is shown in the records of Euroclear UK & International Limited (formerly known as CREST Co Limited) (**“CREST”**) as a holder of CDIs issued, held, settled and transferred through CREST, representing interests in the Existing 2023 Notes,

(the persons in (i) and (ii) above being **“Direct Participants”** and each being a **“Direct Participant”**); and
- (iii) each beneficial owner of the Existing 2023 Notes holding such Existing 2023 Notes, directly or indirectly, in an account in the name of a Direct Participant acting on such beneficial owner’s behalf,

except that, for the purposes of the exchange of any Existing 2023 Notes for Exchange New Notes and the payment of any Accrued Interest Payment and Exchange Fee pursuant to the Exchange Offer, to the extent the beneficial owner of the relevant Existing 2023 Notes is not a Direct Participant, the Exchange New Notes will only be delivered and such payment will only be made by or on behalf of the Issuer through the relevant Clearing System or via CREST to the relevant Direct Participant and the delivery of such Exchange New Notes and making of such payment by or on behalf of the Issuer to such Clearing System or to CREST and by such Clearing System or by CREST to such Direct Participant will satisfy the respective obligations of the Issuer and such Clearing System or by CREST in respect of the exchange of such Existing 2023 Notes.

“Beneficial Owner” means a person who is the owner, either directly or indirectly, of an interest in a particular nominal amount of the Existing 2023 Notes, as shown in the records of Euroclear or Clearstream, Luxembourg or their Direct Participants.

To offer Existing 2023 Notes for exchange pursuant to the Exchange Offer where such Existing 2023 Notes are held in a Clearing System, an Existing 2023 Noteholder should deliver, or arrange to have delivered on its behalf, via the relevant Clearing System and in accordance with the requirements of such Clearing System, a valid Exchange Instruction that is received by the Exchange and Information Agent by the Offer Deadline.

Existing 2023 Noteholders are advised to check with any bank, securities broker or other intermediary through which they hold Existing 2023 Notes whether such intermediary needs to receive instructions from an Existing 2023 Noteholder before the deadlines specified in this Exchange Offer Memorandum in order for that Existing 2023 Noteholder to be able to participate in, or (in the limited circumstances in which revocation is permitted) revoke their instruction to participate in, the Exchange Offer. **The deadlines set by each Clearing System for the submission and withdrawal of Exchange Instructions will also be earlier than the relevant deadlines specified in this Exchange Offer Memorandum.**

Responsibility for delivery of Exchange Instructions

- (a) **No responsibility:** None of the Issuer, the Guarantors, the Dealer Manager or the Exchange and Information Agent will be responsible for the communication of any offer to exchange and corresponding Exchange Instructions by:
 - (i) Beneficial Owners to the Direct Participant through which they hold Existing 2023 Notes; or
 - (ii) the Direct Participant to the relevant Clearing System.
- (b) **Direct Participants:** If a Beneficial Owner holds its Existing 2023 Notes through a Direct Participant, such Beneficial Owner should contact that Direct Participant to discuss the manner in which offers to exchange and transmission of the corresponding Exchange Instructions and, as the case may be, transfer instructions may be made on its behalf.
- (c) **Inability to submit instructions:** In the event that the Direct Participant through which a Beneficial Owner holds its Existing 2023 Notes is unable to submit an Exchange Instruction on its behalf, such Beneficial Owner should contact the Exchange and Information Agent for assistance.
- (d) **Timely delivery:** Existing 2023 Noteholders, Direct Participants and Beneficial Owners are solely responsible for arranging the timely delivery of their Exchange Instructions.
- (e) **Service fees:** If a Beneficial Owner offers its Existing 2023 Notes through a Direct Participant, such Beneficial Owner should consult with that Direct Participant as to whether it will charge any service fees in connection with the participation in the Exchange Offer.

Existing 2023 Noteholders should note that a Beneficial Owner must not submit (or arrange to have submitted on its behalf) more than one Exchange Instruction in respect of the same Existing 2023 Notes.

Exchange Instructions

The offering of Existing 2023 Notes for exchange by an Existing 2023 Noteholder will be deemed to have occurred upon receipt by the Exchange and Information Agent from the relevant Clearing System of a valid Exchange Instruction submitted in accordance with the requirements of such Clearing System. The receipt of such Exchange Instruction by the relevant Clearing System will be acknowledged in accordance with the standard practices of such Clearing System and, unless such Exchange Instruction is validly revoked in accordance with the procedures set out below, will result in the blocking of the relevant Existing 2023 Notes in the Existing 2023 Noteholder's account with the relevant Clearing System so that no transfers may be effected in relation to such Existing 2023 Notes.

Existing 2023 Noteholders must take the appropriate steps through the relevant Clearing System so that no transfers may be effected in relation to such blocked Existing 2023 Notes at any time after the date of submission of such Exchange Instruction, in accordance with the requirements of the relevant Clearing System and the deadlines required by such Clearing System. By blocking such Existing 2023 Notes in the relevant Clearing System, each Direct Participant will be deemed to consent to have the relevant Clearing System provide details concerning such Direct Participant's identity to the Exchange and Information Agent (and for the Exchange and Information Agent to provide such details to the Issuer and to the Dealer Manager and their respective legal advisers).

Only Direct Participants may submit Exchange Instructions. Each Existing 2023 Noteholder that is not a Direct Participant must arrange for the Direct Participant through which such Existing 2023 Noteholder holds its Existing 2023 Notes to submit a valid Exchange Instruction on its behalf to the relevant Clearing System before the deadlines specified by the relevant Clearing System.

It is a term of the Exchange Offer that Exchange Instructions are irrevocable except in the limited circumstances described in "*Amendment and Termination*". In such circumstances, Exchange Instructions may be revoked by an Existing 2023 Noteholder, or the relevant Direct Participant on its behalf, by submitting (for receipt before the deadline of the relevant Clearing System) a valid electronic withdrawal instruction to the relevant Clearing System. To be valid, such instruction must specify the Existing 2023 Notes to which the original Exchange Instruction related, the nominal amount of the Existing 2023 Notes for which the Exchange Instruction is requested to be revoked, the securities account to which such Existing 2023 Notes are credited and any other information required by the relevant Clearing System.

By submitting an Exchange Instruction to the relevant Clearing System, an Existing 2023 Noteholder and any Direct Participant submitting such Exchange Instruction on such Existing 2023 Noteholder's behalf agree, and acknowledge, represent, warrant and undertake, to the Issuer, the Guarantors, the Exchange and Information Agent and the Dealer Manager the acknowledgements and representations set out below:

- (b) by blocking the relevant Existing 2023 Notes in the relevant Clearing System, it will be deemed to consent, in the case of a Direct Participant, to have such Clearing System provide details concerning its identity to the Exchange and Information Agent (and for the Exchange and Information Agent to provide such details to the Issuer and to the Dealer Manager and their respective legal advisers);

- (e) it agrees to ratify and confirm each and every act or thing that may be done or effected by the Issuer, any of its directors or any person nominated by the Issuer in the proper exercise of his or her powers and/or authority hereunder;

- (h) all authority conferred or agreed to be conferred pursuant to its acknowledgements, agreements, representations, warranties and undertakings, and all of its obligations, shall be binding upon its successors, assignees, heirs, executors, trustees in bankruptcy and legal representatives, and shall not be affected by, and shall survive, its death, dissolution, bankruptcy, insolvency or incapacity;
- (i) no information has been provided to it by the Issuer, the Guarantors, the Dealer Manager or the Exchange and Information Agent, or any of their respective directors, employees, agents or advisers, with regard to the tax consequences for Existing 2023 Noteholders arising from the exchange of Existing 2023 Notes pursuant to the Exchange Offer for Exchange New Notes and the Accrued Interest Payment and Exchange Fee, or in relation to the Exchange New Notes, and it acknowledges that it is solely liable for any taxes and similar or related payments imposed on it under the laws of any applicable jurisdiction as a result of its participation in the Exchange Offer (including the exchange of its Existing 2023 Notes and the receipt pursuant to the Exchange Offer of the relevant Exchange New Notes and the Accrued Interest Payment and Exchange Fee) and agrees that it will not and does not have any right of recourse (whether by way of reimbursement, indemnity or otherwise) against the Issuer, the Guarantors, the Dealer Manager or the Exchange and Information Agent, or any of their respective directors, employees, agents or advisers, or any other person in respect of such taxes and payments;

Restrictions incorporated from the Base Prospectus

The description of restrictions on sales of any Notes set out in the section of the Base Prospectus under the heading “*Subscription and Sale*” from page 78 to page 87 are incorporated into this Exchange Offer Memorandum in full and as if all references therein to “Notes” and any offer to purchase, subscribe for or otherwise acquire such Notes were also (as appropriate) references to the Exchange New Notes and the Exchange Offer (as applicable) set out in this Exchange Offer Memorandum.

General

The distribution of this Exchange Offer Memorandum in certain jurisdictions may be restricted by law. Persons into whose possession this Exchange Offer Memorandum comes are required by the Issuer, the Guarantors, the Dealer Manager and the Exchange and Information Agent to inform themselves about and to observe any such restrictions.

The Dealer Manager and the Exchange and Information Agent (and their respective directors, employees or affiliates) make no representations or recommendations whatsoever regarding this Exchange Offer Memorandum or the Exchange Offer. The Exchange and Information Agent is the agent of the Issuer and owes no duty to any Existing 2023 Noteholder. None of the Issuer, the Guarantors, the Dealer Manager or the Exchange and Information Agent makes any recommendation as to whether or not Existing 2023 Noteholders should participate in the Exchange Offer or refrain from taking any action in connection with the Exchange Offer with respect to any of such Existing 2023 Noteholder’s holding, and none of them has authorised any person to make any such recommendation.

This Exchange Offer Memorandum does not constitute an offer to sell or buy or the solicitation of an offer to sell or buy the Existing 2023 Notes and/or Exchange New Notes, as applicable, and offers of Existing 2023 Notes for exchange pursuant to the Exchange Offer will not be accepted from Existing 2023 Noteholders in any circumstances in which such offer or solicitation is unlawful. In those jurisdictions where the securities, blue sky or other laws require an exchange offer to be made by a licensed broker or dealer and any of the Dealer Manager or its affiliates is such a licensed broker or dealer in any such jurisdiction, the Exchange Offer shall be deemed to be made by the Dealer Manager or such affiliate (as the case may be) on behalf of the Issuer in such jurisdiction.

No action has been or will be taken in any jurisdiction by the Issuer, the Guarantors, the Dealer Manager or the Exchange and Information Agent that would permit a public offering of the Exchange New Notes.

Each Existing 2023 Noteholder participating in the Exchange Offer will be deemed to give certain representations as set out in sections of this Exchange Offer Memorandum headed “*Procedures for Participating in the Exchange Offer*” and “*Acknowledgements and Representations*”. Any offer of Existing 2023 Notes for exchange pursuant to the Exchange Offer from an Existing 2023 Noteholder that is unable to make these representations will not be accepted. Each of the Issuer, the Dealer Manager and the Exchange and Information Agent reserves the right, in its absolute discretion, to investigate, in relation to any offer of Existing 2023 Notes for exchange pursuant to the Exchange Offer, whether any such representation given by an Existing 2023 Noteholder is correct and, if such investigation is undertaken and as a result the Issuer determines (for any reason) that such representation is not correct, such offer shall not be accepted.

TAXATION

At the date of this Exchange Offer Memorandum, the Exchange New Notes can be invested in a stocks and shares ISA (an individual savings account), a lifetime ISA or a SIPP (a self-invested personal pension). However, you should seek advice as to whether the specific terms of your arrangement permit investments of this type. The tax treatment of an investor will depend on their individual circumstances and taxation law and practice at the relevant time (and so may be subject to change in the future).

In view of the number of different jurisdictions where tax laws may apply to an Existing 2023 Noteholder, this Exchange Offer Memorandum does not otherwise discuss the tax consequences for Existing 2023 Noteholders arising from the exchange of Existing 2023 Notes pursuant to the Exchange Offer, in relation to the Exchange New Notes or in relation to the payment of Accrued Interest Payments or Exchange Fees. Existing 2023 Noteholders are urged to consult their own professional advisers regarding these possible tax consequences under the laws of the jurisdictions that apply to them or to the exchange of their Existing 2023 Notes and the receipt pursuant to the Exchange Offer of Exchange New Notes and the Accrued Interest Payment and the Exchange Fee. Existing 2023 Noteholders are liable for their own taxes and have no recourse to the Issuer, the Guarantors, the Dealer Manager or the Exchange and Information Agent with respect to taxes arising under or in connection with the Exchange Offer.

Certain tax consequences applicable to the Exchange New Notes are described in the section of this Exchange Offer Memorandum headed "*Taxation*", beginning on page 88 of the Base Prospectus.

Prohibition of Sales to EEA Retail Investors

The Notes are not intended to be offered, sold or otherwise made available to, and should not be offered, sold or otherwise made available to, any retail investor in the European Economic Area (the “**EEA**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, “**MiFID II**”); (ii) a customer within the meaning of Directive (EU) 2016/97 (the “**Insurance Distribution Directive**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129 (the “**EU Prospectus Regulation**”). Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**EU PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the EU PRIIPs Regulation.

UK MiFIR product governance / target market

Solely for the purposes of the manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is retail clients, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of UK domestic law by virtue of the EUWA, eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook (“**COBS**”) and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of UK domestic law by virtue of the EUWA (“**UK MiFIR**”); and (ii) all channels for distribution of the Notes are appropriate, subject to the distributor’s suitability and appropriateness obligations under COBS, as applicable. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the “**UK MiFIR Product Governance Rules**”) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels, subject to the distributor’s suitability and appropriateness obligations under COBS, as applicable.

PART A – CONTRACTUAL TERMS

Terms used herein shall be deemed to be defined as such for the purposes of the Conditions (the “**Conditions**”) set forth in the base prospectus dated 25 August 2022 as supplemented, for the purposes of the UK Prospectus Regulation, by way of a prospectus supplement on 4 November 2022, which together constitute a base prospectus for the purposes of the EU Prospectus Regulation, as it forms part of UK domestic law by virtue of the EUWA (the “**UK Prospectus Regulation**”) (the “**Base Prospectus**”), which Conditions (together with certain other sections of the Base Prospectus) are incorporated by reference into the exchange offer memorandum dated 15 November 2022 which constitutes a prospectus for the purposes of the UK Prospectus Regulation (the “**Exchange Offer Memorandum**”). This document constitutes the Final Terms of the Notes described herein for the purposes of Article 8 of the UK Prospectus Regulation and must be read in conjunction with the Exchange Offer Memorandum. Full information on the Issuer, the Guarantors and the offer of the Notes is only available on the basis of the combination of these Final Terms and the Exchange Offer Memorandum. However, a summary of the issue of the Notes is included in the Exchange Offer Memorandum. In consideration of the Issuer and the Guarantors offering to grant their consent to our use of the Exchange Offer Memorandum in connection with the offer of the Notes (the “**UK Public Offer**”) in the United Kingdom during the Offer Period in accordance with the Authorised Offeror Terms and subject to the other conditions to such consent (as specified in the Exchange Offer Memorandum), we accept such offer by the Issuer. We confirm that we are authorised under UK MiFIR to make, and are using the Exchange Offer Memorandum in connection with, the UK Public Offer accordingly. - the marketing, offering for subscription, exchange or sale of Notes in or from within or to persons resident in any part of the Bailiwick of Guernsey other than in compliance with the requirements of the Protection of Investors (Bailiwick of Guernsey) Law, 1987 as amended, and the rules, regulations and guidance enacted or issued thereunder, or any exemption therefrom; and

ADDITIONAL INFORMATION RELATING TO THE EXCHANGE NEW NOTES

Listing and admission to trading of the Exchange New Notes

The admission of the Exchange New Notes to the Official List of the FCA and to trading on the regulated market of the London Stock Exchange plc through the ORB is expected to be granted on the Issue Date.

The estimated total expenses related to the admission to trading of the Exchange New Notes will be specified in the Results Announcement to be published on or around 7 December 2022.

Authorisation

The Issuer and the Guarantors have obtained all necessary consents, approvals and authorisations in the United Kingdom (as relevant) in connection with the Exchange Offer and the issuance of the Exchange New Notes. The Exchange Offer and the issuance of the Exchange New Notes was authorised by resolutions of the Board of the Issuer on 3 November 2022 and by the Executive Committee of the Issuer on 11 November 2022, and by resolutions of the Boards of each of the Guarantors passed on 11 November 2022.

Significant or material change statement

There has been no significant change in the financial performance or financial position of the Issuer, any of the Guarantors or the Group since 30 June 2022 and no material adverse change in the prospects of the Issuer, any of the Guarantors or the Group since 31 December 2021.

Litigation statement

Save as disclosed below, there have been no governmental, legal or arbitration proceedings (including any such proceedings which are pending or threatened) of which the Issuer is aware during the 12 months preceding the date of this Exchange Offer Memorandum, which may have, or have had in the recent past, significant effects on the Issuer and/or the Guarantors and/or the Group's financial position or profitability:

- (a) a comprehensive review has been conducted by Polish Competition and Consumer Protection Authority (*Urząd Ochrony Konkurencji i Konsumentów*) of rebating practices by banks and other consumer credit providers on early loan settlement, including those of the Group's Polish businesses. An assessment was made by the Group of the outcome of this review, resulting in higher early settlement rebates being payable to customers that settled their agreements early. A number of risks and uncertainties arising from the outcome of this review remain, including with respect to future claims volumes relating to historical rebates paid and the nature of any customer contact exercise required;
- (b) in late 2017, the EC opened a State Aid investigation into the "group financing exemption" contained in the UK controlled foreign company rules, which were introduced in 2013. In April 2019, the EC announced its finding that the group financing exemption is partially incompatible with EU State Aid rules. In common with other UK-based international companies whose intra-group finance arrangements are in line with the UK's controlled foreign company rules, the Group is affected by this decision. On 12 February 2021, HMRC issued a charging notice, following the introduction of legislation in December 2020 empowering HMRC to issue such notices, in order to collect allegedly unlawful State Aid. During 2021, £15.3 million of tax and related interest was paid under this charging notice, in respect of accounting periods ended 2013 to 2018. The payment of this amount is a procedural matter, and the law does not allow for postponement. IPF has appealed the charging notice. The UK government has filed an annulment application before the General Court. In common with a number of other affected taxpayers, IPF has also filed its own annulment application. IPF's annulment application has

been stayed pending the outcome in the main proceedings, brought by ITV and the United Kingdom. In June 2022, the General Court issued its judgment in this case, confirming the original EC decision and dismissing the annulment applications. If the parties appeal against the General Court's decision to the CJEU it is likely that there will be a considerable time before there is a final judgment in the case; and

- (c) HMRC has initiated a review of the compliance of the Group's finance company, IPF Management, with certain conditions under the UK domestic tax rules to confirm whether IPF Management is eligible for the benefits of the group financing exemption which it has claimed in its historical tax returns. IPF believes that all conditions have been complied with and has sought legal advice with regard to the interpretation of the relevant legislative conditions. As part of the review, HMRC raised a discovery assessment with a view to protecting its position before certain time limits expired and which IPF Management has appealed. The legal advice confirmed IPF's view that it is more likely than not that IPF Management will succeed in defending its position. The amount at stake for years up to and including 2018 is £7.3 million. This domestic tax issue and the state aid issue referred to above are mutually exclusive, and hence the domestic tax issue should only be relevant to the extent that the final decision is that the UK tax legislation does not constitute illegal state aid, which would result in a repayment of the £15.3 million already paid. In the event that the Group's position were not to be sustained with respect to its compliance with the domestic conditions, a further amount of up to £1.5 million would be payable with respect to 2019.

Auditors

The consolidated accounts of the Issuer for the years ended 31 December 2020 and 31 December 2021 contained in this Exchange Offer Memorandum do not constitute statutory accounts within the meaning of Section 434 of the Companies Act 2006 (the "Act"). Statutory accounts for the financial years ended 31 December 2020 and 31 December 2021 have been delivered to the Registrar of Companies in England and Wales. The Issuer's auditors have made a report under Section 495 of the Act on the last statutory accounts that was not qualified within the meaning of Section 539 of the Act and did not contain a statement made under Section 498(2) or Section 498(3) of the Act. The report of the Issuer's auditors contained the following statement: *"This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed."*

Deloitte LLP of 1 City Square, Leeds LS1 2AL (registered to carry on audit work in the UK and Ireland by the Institute of Chartered Accountants in England and Wales) have audited, and rendered unqualified

audit reports on, the accounts of the Issuer for the years ended 31 December 2020 and 31 December 2021.

Material conflicts of interest

As at the date of this Exchange Offer Memorandum, save for the fact that any of the directors of the Issuer may purchase and hold Notes issued under the Programme (including the New Notes) from time to time (which would make them creditors of the Issuer in their personal capacity for so long as they held the Notes), there are no potential conflicts of interest between the duties of the directors of the Issuer to the Issuer and their private interests and/or other duties.

So far as the Issuer and the Guarantors are aware, no person involved in the offer of the Exchange New Notes has a material interest in the Exchange Offer. There are no conflicts of interest which are material to the offer of the Exchange New Notes.

Material contracts

IPF and Provident Financial plc (“**Provident Financial**”) entered into a demerger agreement on 25 June 2007 to effect the demerger of IPF from the Provident Financial group and govern the relationship between their respective groups following the demerger. Pursuant to the demerger agreement, IPF became the owner of the entire issued share capital of Provident International Holdings Limited (which was the then holding company of Provident Financial’s international division) and, thereby, its operating subsidiaries. The demerger agreement contains mutual indemnities under which IPF indemnifies the Provident Financial group against certain tax liabilities and liabilities arising in respect of the IPF business which the Provident Financial group may incur and Provident Financial similarly indemnifies the Group against certain tax liabilities and liabilities arising in respect of the businesses carried on by the Provident Financial group which the IPF group may incur. The aim of these indemnities is to ensure that liabilities arising in respect of the IPF business remains with the IPF business and liabilities arising in respect of the Provident Financial group remains with the Provident Financial group. These mutual indemnities are unlimited in terms of amount or duration and are customary for an agreement of this type.

Save as disclosed above, there are no material contracts entered into other than in the ordinary course of the Issuer’s or any of the Guarantors’ business, which could result in any member of the Group being under an obligation or entitlement that is material to the Issuer’s ability to meet its obligations to Noteholders in respect of the Exchange New Notes.
