By foot, from the train station

Our offices are a ten minute walk south of Leeds train station. Take the main exit from the station and immediately cross the road to the steps which lead down to Neville Street. Turn right at the bottom of the steps and walk under the bridge. You'll pass the Hilton Hotel on your right. Walk over the canal and then cross left over the road at the lights which will take you down Great Wilson Street (you'll pass the Asda head offices on your left). At the next lights cross the road over Meadow Lane and again cross to the right to get to the other side of Great Wilson Street. You should then see a pedestrian path leading through to the centre of Leeds City Office park. International Personal Finance is in the building immediately on the right, opposite the British Gas offices.

From west

Join M62 Eastbound. Leave the M62 at Junction 27 onto the M621 following signs for Leeds. Exit M621 at Junction 3. On slip road, stay in left hand lane and continue forward, passing Bewleys Hotel on your left. Once past Bewleys, quickly move into the right hand lane, and fork to the right at the next lights, which are immediately in front of the Bridgewater Place building (tallest building in Yorkshire). Once through the lights, fork right again as you pass the ASDA HQ on your left hand side. At the very next set of lights, get into the left hand lane. Leeds City Office Park is the very next left. Turn into the lay-by that takes you into the car park. International Personal Finance is in the first building on the left hand side as you enter the car park, opposite the British Gas offices.

From south

Join M1 North to Leeds. Leave the M1 at Junction 43, onto the M621. Follow M621 to Junction 4 (signposted York, Harrogate). Follow signs for City Centre. Continue along Hunslet Road & Great Wilson Street for approximately $\frac{3}{4}$ mile. As soon as you pass Crown Point Retail Park on your left, move into the left lane as you bear left through the lights. Leeds City Office Park is the very next left so turn into the lay-by that takes you into the car park. International Personal Finance is in the first building on the left hand side as you enter the car park, opposite the British Gas offices.

From north and east

Join M1 (South) to Leeds. Exit at Junction 44. At the roundabout take the 3rd exit. At the next roundabout (approx. 250 yards) take the 2nd exit onto the B6481, then follow signs for City Centre for approximately 2 miles. As soon as you pass Crown Point Retail Park on your left, move into the left hand lane as you bear left through the lights. Leeds City Office Park is the very next left, so turn into the lay-by that takes you into the car park. International Personal Finance is in the first building on the left hand side as you enter the car park, opposite the British Gas offices.
